Confirmation Statement

This statement confirms your benefit coverages due to a recent change to your benefits. These are your benefits effective through December 31, 2026. This coverage will remain in effect unless you experience a qualified life change.

Important Notes: If you added a dependent to medical coverage, you will need to verify their eligibility. You will receive a separate request for documents to verify the eligibility of your dependents. The notice will provide information regarding the types of required documents and submission instructions. If you fail to provide the required documentation in the required timeframe, your dependent(s) will be removed from coverage.

For life and disability increases, you must be actively at work on the coverage effective dates. If not, your increased coverage will go into effect when you return to work. For additional details on the policies and eligibility, refer to your Summary Plan Description on the benefit home page in the Library.

If you are newly enrolled in medical coverage, or your medical carrier or plan is changing, you will receive an ID card from your plan.

You may change your benefits within fourteen (14) days from the later of the date on this Confirmation Statement or your Benefits Eligibility Date. Any changes to spending and savings accounts can only be implemented going forward. Allowable changes may vary based on plan rules and eligibility. Call CVS Health HR Service Center at 1-888-694-7287 and say Health Care or press 1 to make changes.

Making Changes to Your Benefits in the Future

Due to IRS Section 125 Regulations, no benefit changes/cancellations can be made during the plan year, unless you have a qualifying life event. Should you have a qualifying event which allows you to change your benefit elections, visit Colleague Zone.
